A close-up, shallow depth-of-field photograph of a person's hands typing on a laptop keyboard. The hands are positioned in the lower half of the frame, with the right hand more prominent. The keyboard keys are dark with light-colored lettering. In the upper half, the background is blurred, showing what appears to be a laptop screen or another part of the device. A large, semi-transparent white circle is centered in the middle of the image, containing the text 'Thank you'. To the right of this circle, there are three red circles of varying sizes, arranged in a cluster. The overall lighting is soft and warm, creating a professional yet personal atmosphere.

Thank you
